Book Reviews and Beyond

3 - 5 June 2020

9.30 am, live on **Youtube**

beyondbookreview.iulm.it

The three-day conference will mainly focus on **four areas: literature, theatre, music and cinema**, but the themes of communication, history, cultural studies, economics and language will equally emerge. There will be a wide variety of approaches, including not only the large institutional issues, but also **issues close to the experience of the public** (popular music, television, radio).
